Township Road Damage Policy

The Liberty Township Road Damage Policy is in place to ensure all roadways are maintained and comply with ODOT safety standards.

Compensation for damage to Liberty Township roadways caused by building or maintenance contractors will be pursued. It is the responsibility of the resident to ensure all contractors are aware of this policy upon hire. Repair of road damage can be performed by aforesaid contractors if repair procedure has been approved by Liberty Township Trustees prior to initiation and is up to Township standards. If contractor wishes instead to utilize Township resources, a minimum charge of \$1,000.00 will be assessed, with final cost adjusted to account for the extent of the repair.
