

Zoning Certificate Procedure

Liberty Township
Licking County, Ohio

1. Fill out Zoning Application and make 3 copies. Be sure to include the total square footage, which includes basement, garage, porches, first and second floors, and any other parts under roof.
2. Have all copies notarized.
3. If the permit is for a new dwelling, include well and septic permits.
4. Include a property/lot plat detailing structure offsets to all property lines (Front, Back and Sides).
5. Include a detailed floor plan with the application for verification of square footage and conformance with zoning resolution.
6. Make an appointment to meet with the Zoning Inspector to approve the permit.

Thank you,

Woody Fox
