Old Business

New Business

- The Waste Management bid/contract was addressed by Bill Siegel by giving background information. (Dave Cole arrived at the beginning of this discussion.) Vince Crawford, from Waste Management, addressed the meeting discussing the timing information and the contract, the future of trash and recycling, and health and safety of their employees. Waste Management has agreed to pick up yard waste and trash not in wheeled totes after meeting with Bill Bogantz the previous week. Because recycling is not in the contract and residents didn't receive timely notification of that, Waste Management continued to pick up recycling for about a month after the new contract was in place as a courtesy to residents. The trustees mentioned that the township building has three recycling containers for residents to use at no extra cost.
- Residents brought up concerns about bridges on Stone Quarry and Raccoon run. Bill Siegel is working this issue.
- Care funding was discussed. No resolution was made as to whether we would apply for the funds.
- Road were discussed. There are two culverts on Denunes that need replaced. And Bill Siegel will work with the County Engineer's Office about the Bridges on Raccoon Run & Stone Quarry.

October Credit Card charges were read totaling \$605.29

Correspondence/Warrants/Receipts

- October Correspondence was read.
- October Receipts were read. Receipts totaled \$56,307.10
- October Payments were read. Payments totaled \$9,178.49
- Credit Card Summary, minutes, permits, warrants, and vouchers were signed.

Bill Bogantz made a motion to adjourn the November 9, 2020 meeting. Bill Siegel seconded the motion. The motion passed with all YES votes.
